

# YOUNGSTOWN AREA JEWISH FOUNDATION

## **The Barbara & David Alter Preschool Scholarship Fund**

Barbara and David Alter believe strongly in education and established this fund to assist families with children currently enrolled in the Jewish Community Center of Youngstown's Early Learning Center. The Alters want to ensure that a hardship for a family, such as job loss or illness or death in the family, doesn't interfere with their child/children's continued access to early education.

Please be thorough when completing the application, attach any other information you think may be helpful in consideration of your request and return via email or mail to:

Lisa Long, Financial Resource Development Director

Youngstown Area Jewish Federation

505 Gypsy Lane

Youngstown, OH 44504

Applications will be considered on a rolling basis as received and will be handled confidentially by the Federation's FRD Director, the JCC's Executive Director and the JCC's Early Learning Director. Applicants are not guaranteed funding. There is competition for these funds and no expectation should be made as to tuition coverage. If a family is awarded funding they must understand that this financial support is temporary. It is also suggested that the family sends a thank you note (which can be signed anonymously if desired) to Lisa Long to forward to the donors.
